

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MASSACHUSETTS

IN RE: PHARMACEUTICAL INDUSTRY)	
AVERAGE WHOLESALE PRICE)	MDL No. 1456
LITIGATION)	Civil Action No. 01-12257-PBS
)	
THIS DOCUMENT RELATES TO:)	Hon. Patti B. Saris
)	
<i>U.S. ex rel. Ven-a-Care of the Florida Keys,</i>)	Magistrate Judge Marianne B. Bowler
<i>Inc. v. Abbott Laboratories, Inc.</i>)	
No. 07-CV-11618-PBS)	

**DECLARATION OF IAN DEW IN SUPPORT OF PLAINTIFFS' MOTION FOR
PARTIAL SUMMARY JUDGMENT**

I, Ian Dew, do hereby declare as follows:

1. I am a Senior Analyst and Partner at Steck Consulting, LLC in Washington, DC.
2. I have a B.A. in Mathematics and Psychology from the University of Virginia, an M.E. in Systems Engineering from the University of Virginia, and an M.S. in Environmental Science from the Johns Hopkins University. I am a senior member of IEEE and am a co-author of twelve peer-reviewed publications. I have more than 10 years experience analyzing large datasets including more than five years analyzing Medicare claims data.
3. Steck Consulting has provided technical support to Mark G. Duggan, Ph.D, who has provided expert reports concerning damages in connection with the above-captioned case.

First DataBank Data

4. On or about May 25, 2006, I received from the Department of Justice 11 CD ROMs containing what the Department told me was First DataBank ("FDB") NDDF data produced by FDB pursuant to a federal subpoena. When I attempted to use the data, I found that some of the data files were corrupt. I then contacted Attorney John Kern of the law firm

Mannatt, Phelps and Phillips, who I understood to represent FDB, and requested that they send me replacement CDs. On or about February 8, 2007, I received by Federal Express from Mannatt, Phelps and Phillips replacement CDs containing FDB NDDF data.

Average Prices Calculated Based on Abbott's Transaction Data

5. On or about December 4, 2008 I received a dataset from the Breen Law Firm consisting of indirect transaction data from the defendant.

6. Based upon my personal knowledge of the work Dr. Duggan performed in a similar case involving the same type of transaction data, at Dr. Duggan's direction I calculated quarterly indirect pharmacy weighted average package prices (Transaction Prices) based on the received transaction data.

7. I have listed First DataBank Average Wholesale Prices (AWPs) and Transaction Prices on a quarterly basis along with the difference between each pair of prices in dollars and as a percentage of the Transaction Price in Exhibits 1 through 43, one for each of the 43 relevant drugs.

8. I have depicted the AWPs and Transaction Prices listed in Exhibits 1 through 43 in the form of charts in Exhibits 44 through 86.

I swear under the penalties of perjury that the foregoing statements are true and correct.

Ian Dew

Executed this 27th day of August, 2009

I hereby certify that I have this day caused an electronic copy of the above **DECLARATION OF IAN DEW** to be served on all counsel of record via electronic service pursuant to Paragraph 11 of Case Management Order No. 2 by sending a copy to LexisNexis File & Serve for posting and notification to all parties.

Dated: August 28, 2009

/s/ Susan Schneider Thomas
